# I Don't Even Know XD Squid

## Chapter 1 by thepinkdolphin

When I walked into my living room and saw it, I thought I was daydreaming and it was just Butch, our German Shepherd laying on the sofa, but when I opened my eyes again and saw what it really was, I almost dropped my backpack and ran.

My mother was sitting on the opposite sofa, the one under the window, frozen, and a look of terror had swept across her face. Butch was nowhere to be seen. What lay on the sofa wasn't our loving dog... it was a huge, pale grey squid.

## Chapter 2 by SaintSayaka
